THE INSTRUCTOR, AN UNFALTERING IDEALIST

The duties of a teacher are
As heavy as can be,
Regardless of the type of school
Or whether "he" or "she",
Because the teacher must possess
A knowledge that will shine
And, in addition, has to keep
The students right in line.
There are a thousand questions to
Be answered every day
And papers must be graded when
The books are put away.
The pleasures of an evening out
Are seldom to be shared
Because the next day's lesson must
Be carefully prepared.
And yet there is glory in
This timeless atmosphere;
The teacher helps tomorrow's world
Prepare for its career.

THE BEGINNING OF A NEW ATMOSPHERE

In high school we discover there
Is somewhat of a change
And we must study subjects that
Perhaps are a little strange.
For instance, we have civics and
The chemical domain,
And in geometry we get
The solid and the plane
And many are the courses we
May follow or reject;
As long as we advance as much
As parents may expect.
But also high school is a place
To gain athletic fame
Or in some other manner to
Acquire quite a name.
And while our graduation seems
So many years away
Its funny how seniors say,
It is only a step away.

CLASS OF 1979

This being our first year in high school it has been quite a change from the Middle School atmosphere. The first change which we had to adopt to was our time schedule. We begin our school day at 12:06 p.m. and end it at 5:30 p.m. But the most trying time is our first hour and the 9-12 grades' last hour, when approximately 800 students crowd into the halls to get to class.

After getting situated we elected Tim Brooks, President; Sandy Hunter, Vice President; Kathy Brozowski, Treasurer and Melanie Markwart, Secretary of our class.

Being able to get involved in Homecoming activities was a new and exciting privilege. Although this year we did not build a float, we look forward to the next five years in the high school, especially as far as magazine selling will be goes. We are very proud of the amount of money we were able to bring in and hope to do the same, if not better, next year.

CLASS OF 1978

This year's activities started by electing our class officers who were Kelly Mackey- President, Raymond Lipa- Vice-President, Sally Malburg- Treasurer, and Gina Giroux- Secretary. Helping us with our first year in High School was our sponsor Mr. Fred Hunt.

Thanks to the Barnard's family for allowing us to build our float in their garage and thanks to countless efforts and time of Mr. Hunt, our Homecoming float swept second place. Shelly Culp was chosen as our class princess.

Because of the overcrowding in our school system, our day began at 12:06 p. m. and terminated at 5:23 p. m. where as 9-12 grades started at 7:20 a. m. and ended at 1:03 p. m. Our fifteen minute break to get our milk and snack is quite different from a forty-five minute lunch hour. But we'll survive. We are looking forward to the next four years in high school.

Our Freshman Class started out this year by electing Rick Brozowski, President; Wayne Stine, Vice-President; Cathy Cady, Secretary; and Lynette Culp, Treasurer. Mr. Moore was chosen to be our sponsor.

We enjoyed Homecoming activities even though our float, "Gone With The Wind" didn't get too far. Representing us as princess was Lynette Culp.

In December, Pat Behnke and Julie Perez were elected to serve as prince and princess at the Christmas Ball.

The sophomores initiated us in the high school on January 11, and held a dance for us on January 12. A sophomore appreciation dance took place later in the year.

You can tell a freshman
By their silly eager look.
You can tell a sophomore
Because they carry one less book.
You can tell a junior
By their clubs and such.
You can tell a senior

CLASS OF 1976

The Class of 1976 in their sophomore year chose for class officers: Tim Meikle-President, Sue Glombowski-Vice President, JoDee Worden-Secretary, and Janice Behnke-Treasurer.

Homecoming came off with a big bang with the theme of "Nostalgia". We chose Bonnie and Clyde in "Shoot'em down" for our float. JoDee Worden Reigned as our Homecoming Princess. Then came the time to choose our rings. After the job of deciding which ring we wanted, the excitement mounted as we all waited for them to arrive in early spring.

We had a busy week initiating the freshmen. The girls wore skirts just below their knees, sweat shirts, bobby socks and their hair in ringlets. The boys wore shorts, white socks, fingernail polish, lipstick and bows in their hair. That Saturday night we held a dance honoring them featuring the band "Stella".

None of us will forget our sophomore year in 1973-74.

A new year begins with new officers, Bob VanNorman as President; Steve Kamidoi, Vice-President; Lucy Detroyer, Secretary; Teresa Castillo, Treasurer and Colleen Mackey, Student Council Representative. As our class sponsors, we chose Mr. Jack Armstrong, Miss Carol Andrews, and Mr. Arden Nickerson.

To start a new year off to the best of our ability, we won first place on our Homecoming float, "Chiefs on the Warpath" and picked Bessie Pellegrino as our princess.

When the holidays rolled around we chose Sue Galarneau and Steve Brozowski as our Christmas Ball Royal princess and prince.

As the year continues the Juniors will work hard to make the early spring prom, "Pieces of April", a big success.

OURS IS AN OPEN WORLD, TO TRANSFORM.

The graduates are going forth-
Bless them everyone.-
To run this hard and stubborn world
Just as it should be run;
But much I fear they'll find that facts
Don't always track with dreams;
And running this old world is not
As easy as it seems.

The graduate is prone to think
His wisdom is complete.
He's but to ask-the world will lay
Its trophies at his feet.
But school days done and work begun,
He learns to his regret
The college experience
He has not mastered yet.

The world has garlands and applause
At graduating time;
But may forget him the next day
When he attempts to climb.

Life is a battle where each one
Must seek and hold his own
He who would rise above the clouds
Must scale the heights alone.

This is the rule of life today,
As it has ever been:
The world bestows its smile on those
Who have the strength to win.
Breath all outward semblances
It looks for merit true.
It little cares how much you know
But asks, what can you do?

We the Class of '74, began our last year in Capac High School under the leadership of officers Nancy Wheeler-President, Cathy Doutry-Vice President, Melinda Kersten-Secretary, and Vicki Ferrett-Treasurer.

WE "screamed" into Homecoming, winning the spirit jug, and our float, which we finally decided to call "Capac's Golden Record", to celebrate the Chief's golden winning record, took third place. Homecoming was topped off by the crowning of Tina Murphy as Homecoming Queen.

We welcomed the holidays with the Christmas Ball—"Sleighride". Dale Oland and Marcy Lustig were elected to reign as King and Queen.

Plans are underway for a Senior "Skip Day" and graduation in the spring.

LAURA WOOLNER-

Results are obtained by exploiting
Opportunities, not by solving
Problems. All one can hope to get
By solving a problem is
To restore normality.
The pertinent question is not
How to do things but how to find
The right things to do,
And to concentrate resources
And efforts on them.

THE QUESTION IS NOT HOW TO DO THINGS; BUT HOW TO FIND THE RIGHT THINGS TO DO.

If we are going to become involved in transforming,
not just the lives of individuals,
But the patterns of human living, we must start
transforming the patterns of communication,
Of recreation, of government, of professional life.

To work at this level, we obviously need,
a deep professional understanding of these areas.
We cannot be ignorant of social structure
and hope of changing them;
We cannot have an impact in a given profession unless
we are recognized as competent with that profession.

Student Council is intended as a service organization. Besides the routine approval of money-making activities, Student Council serves the school in several other ways. With profits from the magazine sale it puts on assemblies, awards overseas and college scholarships, and purchases items for the school. This year a new service was initiated: Special Clinic Funds for students wishing to attend clinics or workshops. It also initiated a Welcoming Committee to get new students acquainted with the school and classmates. Among other purchases was a Track and Field Records Board. To familiarize members with school policy-making, Student Council members now attend the Board of Education meetings. The most successful activity of the year was Homecoming, which was described by many as our best Homecoming ever.

7TH & 8TH GRADE STUDENT COUNCIL

Last year we organized as a Junior High School Student Council in the Middle School, however this year we have met under the title Seventh and Eighth Grade Student Council, in the high school. Although we are concerned about the problem of these two grades involved, many of our duties overlap with those of the High School Student Council. However, we have organized a few dances and fun nights throughout the year for seventh and eighth graders.

One high school activity, which we would like to mention is the magazine sale. On behalf of the entire Student Council, we would like to commend the seventh and eighth graders for their outstanding performance. We look forward to seeing these and perhaps better results next year.

As in the past few years, National Honor Society (NHS) began this year making arrangements for the Homecoming balloon sales. Once again there were colorful clowns walking the halls saying, "Twenty-five cents a balloon or four for a dollar." Meanwhile, Elementary and Middle School children eagerly waited to see the clowns in the Homecoming Parade. Of course, this day could never have been quite a success without the generosity of Durkee's Grocery Store, Brown's Department Store, Jolly Jim's Market, Clarkson's Dairy Bar, and Leon's Village Mart who each donated candy to hand out to the anxious children.

Another important thing to take care of when the year started was to have members sign up to take tickets at all home athletic activities. We not only perform services for our school, but also for those around us. On February 13th, we visited the people at the Oakdale Center in Lapeer and those in the Goodells Medical Center and presented them with Valentine cards and cookies.

This year marked the beginning of the nomination of two senior members to apply for a \$1,000 scholarship from the National Association of Secondary Schools. Student Exchange with other school chapters has also been initiated this year.

Induction of our new members is the highlight of each year's activities. And without the help of our new sponsor, Mrs. Marian Fischer, it could never have gone so smoothly. We would like to thank her for all the time and effort she has given to our organization.

This year's Debate Team has just completed the most successful competitive season ever in debating this year's topic, Resolved: "That the Federal Government should provide a program to employ all employable United States citizens living in poverty." Capac's ten debaters won three team trophies and a total of four individual speaker awards. Blue Water League competition ended with Capac in first place with a 15-3 record. Efforts in the South Thumb League resulted in a 7-5 record for third place. In addition, the Blue Water League record qualified Capac for the coveted Detroit Free Press "Debating Excellence" Plaque.

Competing for Capac in the Blue Water League were the teams of Jayme Bell and Mary Ogden, with an undefeated record of 10-0; Debbie Bentley and Joan Stange, with a record of 6-2. South Thumb League competitors included Jim Lang and Norm Behnke, 5-2; Jean Wainright and Teresa Kot, 7-5; Lorinda Malburg and Laurie Gajda, 2-4. Capac speakers also earned awards for individual speaker excellence: in the Blue Water League, Mary Ogden and Jayme Bell placed first and second, respectively; in the South Thumb League, Norm Behnke and Teresa Kot took first and seventh, respectively. Teresa also received the third place junior-varsity speaker award in the Blue Water League. Capac is proud of its debaters and wishes them continued success this year and in future seasons.

With the growing number of students in our school system, our yearbook too is growing which means more work. This year we are fortunate enough to have Mr. Leslie as our advisor once again; for without this gentleman the Yearbook would not be possible.

Each year there seems to be more pages to work with and less time to do so but we have managed to carry out our duties and responsibilities. To help us financially with the yearbook, we sold candy bars in late fall and early winter. We are looking forward to other fund-raising projects as well as working on our summer supplement.

THIRD ROW: Kevin Jurn, Greg Mills, Kurt Robinson, Jim Lang, Mark Hulett, Bob Brozowski, Jim Nettay, Sandy Carroll, Cheryl Farrow, Pam Rhody.

This year for the first time in many years the Chieftain Staff acquired a new advisor. On the retirement of Mrs. Clarkson our Journalism I teacher, Ms. Redding, filled her position. Under her guidance we were able to achieve our goals for the '73 fall semester. Along with publishing a paper every two weeks we learned a lot of helpful little points involving our work. From experience it was learned that we should rotate our student help for publishing night, instead of having the whole staff present we decided to have only one member from each department on hand to help. Although, on our staff we had an Editor and an Assistant Editor it was decided from then on to adopt the system of Co-Editors.

We also did a bit of interior decorating on the walls of the bookroom and the headliner machine table by covering them with washable wallpaper. Several etchings of Indians were drawn on the walls and the pin up boards were covered with red and blue materials.

We all learned a lot when it came to cooperation and all in all it was a very intriguing experience.

Staff members hurry to meet deadline.

This year the Capac Future Farmers of America (FFA) is recognized as one of the largest in the state. It is also one of the best, having received gold chapter ratings for the past two years.

The FFA is the only club in the school which keeps its activities going throughout the summer. During the summer months members participate in such activities as judging clinics, recreation, and livestock and crop exhibits at several fairs.

Each year the chapter participates and receives awards in several contests: District Soil Judging contest, MSU Poultry contest, Leadership contests, and the state Agriculture Skills contest.

The chapter sends delegates to the National Convention in Kansas City, the State Convention in East Lansing, and the new officers to Regional Leadership Training Camp.

Besides leadership activities, members carry on their own supervised agricultural experience projects, either on the farm or in agri-business.

Members of the Capac chapter have been honored as award winners and officers of both the state and the regional organization.

One of the highlights of the year comes at the annual FFA Banquet, when members are awarded for their efforts throughout the year.

The band started out with the largest number of musicians ever, with 96 members give or take a few. We played at all the home football games and done such things as having the seniors dancing to the "Twist" and fire baton routines with the majorettes. Our last game which would have been our finest performance, was froze out at the last minute.

We went to the University of Michigan in Ann Arbor for Band Day for the first time in three years. We had to wear garbage bags for raincoats during practice because it was raining so hard. But later it cleared up and the rest of the day went very well.

After the football season was over, we spent a month and a half preparing for our Christmas concert, "Christmas in Harmony". But this was cancelled because we got one of the biggest snowstorms of the year the day of the concert.

When basketball season started, members that wanted to, joined the Pep Band to provide music and entertainment during the home games.

Second semester a wind ensemble of the better bandsman was organized to play more challenging music and perform at our spring concert.

In the last week of February we gave a winter concert and performed our festival music and a few other selections.

Throughout the year the band has been steadily increasing their skills and abilities and striving for all the qualities that make a top rated band.

Music is an ancient yet modern art which enhances man's ability to communicate on a higher level. Whether the music is from the Renaissance era or from our time, rock, country music, orchestral works jazz and blues, it all extends a "hand" of communication to the listener from the performer and vice versa.

The Capac High School Vocal Music Department is a group who tries to extend their "hand" of communication to the immediate community through concerts and special performances by the choirs and the newly established Fine Arts Ensemble. The two major choirs, Mixed and Girl's, perform for the main concerts and any special choir festivals that involve whole choirs and not just select ensembles and soloists. They hope that the coming seasons will get them involved in more concerts than now.

The Fine Arts Ensemble extends their "hand" by performing for various clubs and organizations in the community. Their audience is usually small which creates a better bond of communication. The members of the Ensemble are all "tops" in the choral groups which gives them a chance to improve upon their musical talents by the means of more frequent performances and also the Wednesday night "drill sessions" where vocal technique is stressed.

Overall, Capac's choral groups are ever growing and improving. In years to come, we hope to make our community more aware of the arts and their importance in everyday life. The arts are an important part and the better we can perform them the better the "hand" of communication can reach out and "touch" people.

The Girls' Athletic Association has been steadily growing to include a membership of 127 girls as it enters its sixth year of existence.

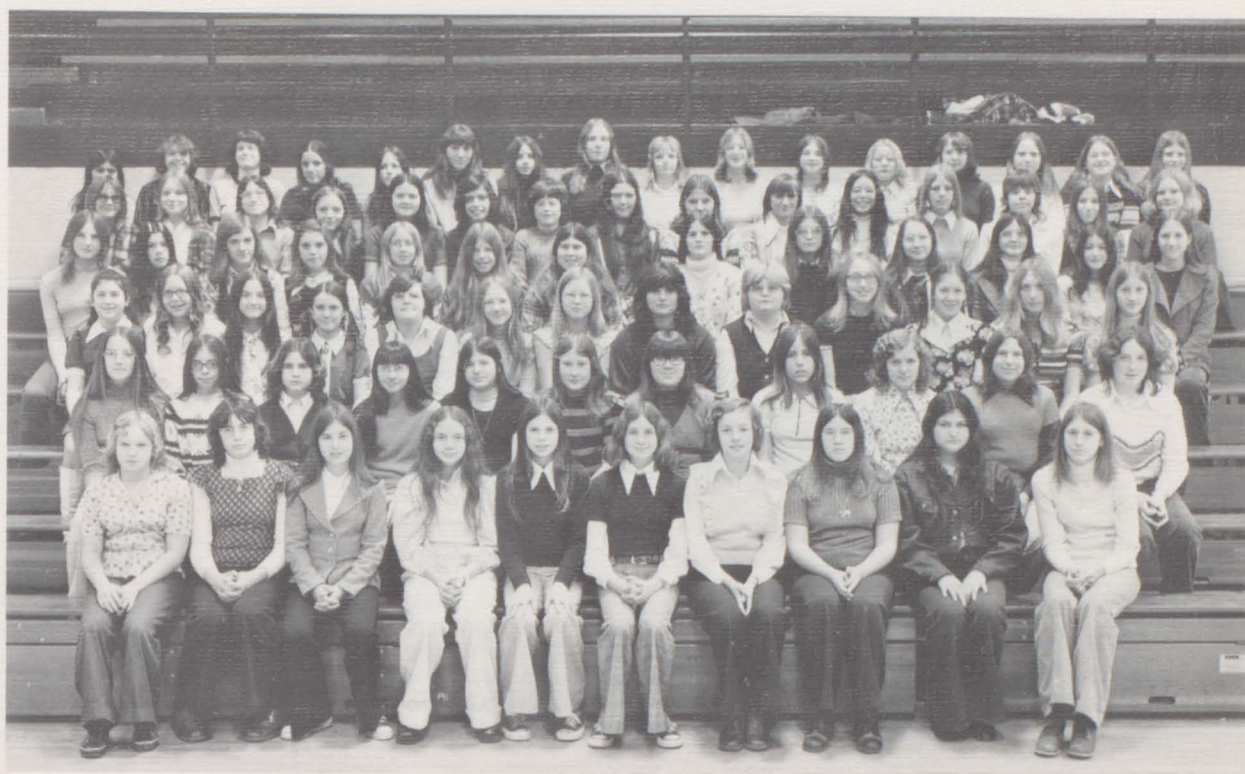

Though there are fewer sports this year, because of the energy crisis and limited use of the gym, participation and enthusiasm of the girls has again proved this to be a very successful and necessary program in our school.

Besides being just a sports program the GAA has helped run the football concession stand and completely ran the basketball concession stand.

Many thanks to Ms. Barbara Redding for making this a very successful year.

The Junior High Girls Athletic Association is an organization any junior high girl may join if she wishes. Activities this year include competition in volleyball, badminton, basketball, table tennis, indoor hockey, gymnastics, softball, and track. Besides these activities, five girls attended a basketball clinic at Central Michigan University, five attended a state volleyball tournament, and girls ran concession stands for all junior high games. During the year we held a G.A.A. dance and will look forward to a spring banquet for parents and students at which time awards will be handed out.

JOY OF VICTORY AND AGONY OF DEFEAT

It's all well to have courage and skill
And it's fine to be counted a star,
But the single deed with its touch of thrill
Doesn't tell us the man you are;
For there's no lone hand in the game we play,
We must work to a bigger scheme,
And the thing that counts in the world today
Is, How do you pull with the team?

They may sound your praise and call you great,
They may single you out for fame,
But you must work with your running mate
Or you will never win the game;
Oh never the work of life is done
By the man with a selfish dream,
For the battle is lost or the battle is won
By the spirit of the team.

You may think it fine to be praised for skill,
But a greater thing to do
Is to set your mind and set your will
On the goal that's just in view;
It's helping your fellow man to score
When his chances hopeless seem;
It's forgetting self till the game is o'er
And fighting for the team.
